

CAREFORCE

PROMOTE YOUR ORGANISATION AT JOB SEEKER EVENTS

Join Careforce in raising the profile of care sector jobs at job seeker events in 2022 by recording a power pitch and nominating a workforce champion. [Click here](#) to view a recent online job seeker event featuring employer power pitches and champions answering job seeker questions.

TWO MINUTE POWER PITCH TO SHOWCASE YOUR ORGANISATION

We invite employers to be involved by creating a pre-recorded two minute Power Pitch which answers the following questions:

- Who you are (name of organisation and type of service/s)?
- How big is your organisation, including number of employees?
- Where do you operate/provide service (region/s)?
- What opportunities do you offer for career advancement?
- What type of jobs do you offer?

Employer power-pitch videos will be featured at various job seeker events throughout the Illawarra and South Coast in 2022.

For more information please contact Tanya Southworth on tsouthworth@cigroup.org.au or visit www.careforcehub.com.

We also invite employers to nominate someone from within their organisation to become a Careforce Champion. These are people who love their work in the care sector and can help raise the profile of jobs and career pathways available. Champions are the best people to answer job seeker questions and share employment options.

Depending on availability, champions also have the option of being recorded answering a selected range of questions for use in our Job Seeker events.
